Sex Male | Date of birth 25/04/1974 | Nationality Greek

WORK EXPERIENCE

12 Jul 14 – present

Associate Professor in Strategy and e-Business

Department of Business Administration, School of Business and Economics, TEI of Thessaly, Greece (<http://de.teilar.gr>), Larissa, Greece

Duties:

1. Graduate and postgraduate module responsible and tutor regarding:
 - a) e-Government project and strategic management.
 - b) Engineering management.
 - c) Contract and procurement management.
 - d) Management and Project Management Information Systems.

2. Dissertations' supervisor at both graduate and postgraduate levels.

3. Administrative duties:

- a) Head of postgraduate program's Quality Management.
- b) Head of postgraduate selection procedures.
- c) Head of graduate internship program.
- d) Head of graduate marketing campaigns.
- e) Web master.

4) Research and development

- a) Publications' development
- b) Scientific coordinator of research projects.
- c) Member of research project teams.
- d) Research planning.
- e) Guest editor for journals and books.
- f) Associate editor of a scientific journal.

5) Research interests:

- a) e-Government
- b) smart cities
- c) Enterprise Architecture
- d) engineering management
- e) project and strategic management

Business or sector Tertiary Education, University, Academic, Research

16 Jul 09 – 12 July 14

Assistant Professor in Project Management

Department of Business Administration, School of Business and Economics, TEI of Thessaly, Greece (<http://de.teilar.gr>)

Larissa (Greece)

Business or sector Tertiary Education, University, Academic, Research

14 Feb 05 - 16 Jul 09

Expert Counsellor in e-Government and Digital DiplomacyHellenic Ministry of Foreign Affairs (<http://www.mfa.gr>)

1. Head of digital public diplomacy unit of the Information Service of the Greek Foreign Ministry.
2. Strategic Planning regarding Greek Foreign Ministry's public diplomacy.
3. Project planning and management: 7 projects of a total amount of 9 ME were designed regarding e-Government, Digital Public Diplomacy and Research and Development.
4. Project procurement and contracting.
5. Communications' management.
6. Web applications' development.
7. Ministry's webmaster.

Business or sector Central Government, Foreign Affairs, Communications, e-Government, digital diplomacy, computer science

1 Aug 03 - 30 Nov 05

Scientific Coordinator - Smart City of Trikala (e-Trikala), GreeceMunicipality of Trikala, Trikala (Greece) (<http://www.e-trikala.gr>)

1. Strategic planning and management regarding a Smart City in the area of Trikala, Greece.
2. Project planning and management regarding the Smart City: 14 projects, of a total amount of 5 ME funded by the Greek Information Society were planned and developed.
3. Project tendering and contracting.
4. Project stakeholder management.

Business or sector Local Government, IT Project Management, Strategic Management, e-Government

1 Sep 02 - 1 Sep 04

IT Project ManagerInformation Society S.A. Athens (Greece) (<http://www.ktpae.gr>)

1. Project manager of complex large-scale e-Government projects.
2. Project planning of e-Government projects on behalf of the Greek Government.
3. Project document management.
4. Project tendering and contracting.
5. Project stakeholder management.

Business or sector Central Government, IT Project Management, e-Government

31 Aug 00 - 14 Feb 05

Computer science teacher

Administration of Secondary Education of Trikala (Greece)

1. Teaching computer science to lyceum students.
2. Software development for particular needs of the Administration.
3. Administration duties regarding human resource management.
4. e-assessment application development.

Business or sector Central Government, Higher Education

26 Jul 96 - 1 Feb 00

Communications OfficerResearch Committee, Aristotle University of Thessaloniki, Thessaloniki (Greece) (www.rc.auth.gr)

1. Communications' responsible and manager for the academic community of the Aristotle University, with regard to research funding opportunities.
2. Web developer and webmaster of the liaison office of the Research Committee.
3. Campaign developer of the liaison office of the Research Committee.
4. Knowledge management and information retrieval.

Business or sector Tertiary Education, University

EDUCATION AND TRAINING

1 Jan 00 - 10 Oct 05

PhD entitled "Collaboration Environments in e-Government"

EQF level 8

Department of Informatics, Aristotle University of Thessaloniki , Thessaloniki (Greece)
 e-Government, smart cities, collaboration software applications, e-service management
<http://www.didaktorika.gr/eadd/handle/10442/14861>

1 Sep 92 - 26 Jul 96

Graduate Diploma in Computer Science

EQF level 6

Department of Informatics, Aristotle University of Thessaloniki, Thessaloniki (Greece)
 Informatics,
 Algorithms,
 Software Development,
 Software engineering,
 Databases,
 Security,
 Higher Mathematics etc.

1 Sep 89 - 26 Jun 92

High School Diploma

EQF level 4

3rd Lyceum of Trikala, Trikala (Greece)
 General lyceum studies (Mathematics, Physics, justification, etc.)

20 Jun. 10 - 26 Jun 10

SAP ERP Basics

Certification under a training by SAP. TEI of Thessaly, Greece

1 Nov 13 - 26 Nov 13

Developing Software using Design Thinking

Certification by SAP
 Distance Learning, Online collaboration with a 4-member team group (openSAP).

PERSONAL SKILLS

Mother tongue(s) Greek

Other language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C2	C2	C2	C2	C2
EdExcel Level 5					
German	A1	A1	A1	A1	A1
Compulsory module during my graduate studies					

Levels: A1/2: Basic user - B1/2: Independent user - C1/2 Proficient user
 Common European Framework of Reference for Languages

Communication skills

- Excellent communications skills, gained from my more than 16year professional and academic experience, documented in an extensive number of manuscripts, presentations, projects, vocational training programs and agreements that I have performed.
- I've undertaken crucial communication duties during my career at the Greek Foreign Ministry and at the Research Committee of the Aristotle University of Thessaloniki.
- I'm a tutor of graduate and postgraduate modules.
- I've supervised numerous dissertations as well as various project teams.

Organisational / managerial skills

- I'm extremely self organized, in order to perform my academic and research duties. Moreover, I've supervised various project teams during my career, while I often follow project-based teaching methodology in order to engage my students.
- I'm and I've been a head of crucial administrative units for both my Academic Department and of a strategic communications unit of my country's Foreign Ministry.
- I'm an expert in project management, I've been a strategic and project coordinator and I've supervised several professional teams.
- I'm experienced with project management tools (i.e., MS Project and Primavera) and methods and standards (ICB and PMBOK), while I've supervised the Quality Assurance system for my department's postgraduate programs.

Job-related skills

- I've been an Academic and Researcher in your respective field since July 2009 and an active Researcher since 2000 mainly in the domains of e-Government management and Smart City.
- I've been a software engineer and web developer since 1996 and I've developed a quite efficient web project portfolio.
- I hold a PhD in e-Government; I've planned and managed various projects on behalf of various organizations in this domain; I've managed change and migration to e-Government environment.
- I've been an ICT project and program management for the Information Society S.A. and for the Smart City of Trikala for more than 5 years.
- I'm an academic and researcher in e-business and project management
- I hold extensive professional and academic experience in information technology, IT management,, web technologies, e-Government and social media.
- I was the head of Digital Public Diplomacy unit of the Greek Foreign Ministry.
- I've participated for my country's information society strategic and project planning and management, while I've prepared, managed, procured and contracted several complex relative projects for the Greek public administration.
- I've been a scientific consultant of two Greek Members of the European Parliament offering my expertise in social media strategic marketing, information technology and web technologies from 2009 to 2013.

Computer skills

Advanced level regarding:

1. Software engineering (ASP.net, C#, C++, Java etc).
2. SQL Server RDBMS
3. Microsoft office tools (Word, Excel, PowerPoint, Access, etc. both programming and authoring)
4. MS Project
5. Primavera P6
6. Multimedia development (Adobe After Effects, Adobe Flash, Photoshop etc.)
7. Windows Operating Systems (desktop and server editions, up to version 8)
8. Good user regarding SAP ERP and Oracle RDBMS.

- Tsoukalas, I., Anthopoulos, L. (2004). E-Government: A Greek Perspective. "New challenges for the public executives in e-Government systems". Government Technology International. June 2004 (<http://www.govtech.com/gt/90612>).
- Tsoukalas, I., Anthopoulos, L. (2004). "Moving towards the e-city" - How local communities can transform to local information societies. A best practice in Greece. Government Technology, Nov. 18, 2004. (available at <https://www.govtech.com/gt/92186>)
- Anthopoulos, L. (2005). "E-Trikala: The First Greek Digital City". Electronic publication in Government Technology, March 2005 and in Public CIO March 2005 (available at: <http://www.govtech.com/gt/93395?topic=117677>). It has been re-printed and disseminated by the U.S. General Service Administration (GSA) (March 2006).
- Municipality of Trikala, Greece: Business Plan for the Greek Information Society Framework Program (August 2004).
- Project Plans and Research Analysis for 12 projects related with the e-Trikala Project (the First Digital City in Greece).
- Survey related to efficiency of the electronic assessment in Greek Secondary Education. Questionnaires submitted and filled in by all secondary schools (41) in the area of Trikala, Greece. Results are published on <http://6lyk-trikal.tri.sch.gr>, <http://dide.tri.sch.gr> and are related to an e-Assessment application, developed by Leonidas Anthopoulos and presented on the 2nd Panhellenic Conference in Educational Information Systems. February 20-22, 2004, University of Macedonia, Thessaloniki, Greece.
- Survey related to the understanding, confidence and diffusion of e-Government applications in Greek Public Administration. The survey, based on questionnaires, was executed in the Administration of Secondary Education of Trikala Greece (50 public executives, 1200 teachers, considered as citizens) and in the Municipality of Trikala, Greece (200 civil servants).

Committees

- Member of the Smart City Working Group of the United Nations International Telecommunications Unit (ITU).
- National Representative of Greek Standards Institute (ELOT) regarding Smart Cities at CEN-CENELEC European Standards Institute.
- Associate Editor of the International Journal of Public Administration in the Digital Age (IJPADA), IGI Global (www.igi-global.com/IJPADA)
- Member of the Reviewing Committee of the Government Information Quarterly Journal (EISevier)
- Member of the Reviewing Committee of the Transforming Government: People, Process and Policy (Emerald)
- Member of the Reviewing Committee of the Electronic Journal of e-Government, Academic Conferences
- Member of the Scientific Council for the Information Society, University of Athens, Greece.
- Member of the NETWORK OF PROJECT MANAGERS IN GREECE – PM-GREECE, IPMA Group.
- Evaluator of project proposals for the Greek Information Society Framework Program
- Member of the National Accreditation Center of Vocational Training, Athens, Greece
- Project Evaluator for the Greek General Secretary of Research and Development (GSRT)
- Project Evaluator for the OPERATIONAL PROGRAMME 'COMPETITIVENESS AND ENTREPRENEURSHIP', Hellenic Ministry of Regional Development and Competitiveness
- Evaluator of the deliverables of the action NETFORCE 2005 (Grid networks in the Peloponnese Region), funded under a European programme.
- Tender designer and evaluator for the Greek Ministry of Foreign Affairs.

- Scientific Prizes & Awards**
- Member of the Program Committee of the **HCist – International Conference on Health and Social Care Information Systems and Technologies: "aligning business, technology and people for better healthcare services"**, Vilamoura, Portugal, 7-9 October, 2015.
 - Co-chair, **AW4city ACM Workshop - Web Applications and Smart Cities: bringing together government, businesses and citizens, In conjunction with WWW'15: 24th World Wide Web International Conference**, Florence, Italy, May 18th 2015 (with Janssen, M. (TU Delft) and Weerakkody, V. (Brunel Business School))
 - Co-chair, **3M4City 3M4city Workshop : Modelling, Mining, Managing smart city data flows, In conjunction with WIMS'14: 4th International Conference on Web Intelligence, Mining and Semantics**, Thessaloniki, Greece, 2-4 June 2014
 - Session chairman at the European Conference of e-Government (ECEG, 2013), June 13-14, 2013, Komo, Italy.
- Theses supervision details**
- A) Postgraduate Theses at the MSc in Project and Programme Management, TEI of Thessaly, Greece**
1. Tougoutzoglou T. (2011), A viability model for Smart Cities (very good, 7.5/10)
 2. Triantafyllou, D. (2012), e-Strategic Comparison in Greece (very good, 7.5/10)
 3. Christianopoulou, A. (2012), Negotiation Project Management Frameworks (very good, 8.0/10)
 4. Tsiara, A. (2013), A dam flood wave disaster recovery model: findings from Greece (very good, 7.8/10)
 5. Dafoula, E. (2013), Risk management in Archaeologic Projects (very good, 7.5/10)
- B) Postgraduate Theses supervision, MSc in Construction Management, Hellenic Open University Greece**
1. Tsopanis, D. (2011) Urban planning and Smart City (very good, 7.5/10)
 2. Mpapka, S. (2012) Construction Negotiation Management Frameworks (very good, 8.0/10)
 3. Kostavara, E. (2012) Construction Disaster Recovery Model (very good, 8.0/10)
 4. Kokkinidis, S. (2012) Program Quality Management: Experiences from Thessaly, Greece (Excellent, 8.5/10)
- C) PhD Supervision**
- Strategic management via construction projects. Member of the supervision committee of the TEI of Thessaly, Greece, in Association with the Staffordshire University, UK.

Research Projects

1. **Planning and proposal authoring for 10 R&D projects for the Greek Foreign Ministry.**
2. **“NEGOTIATOR: an adaptive and immersive environment for negotiation and crisis management”**. Composed and submitted to the FP7/ICT fourth call for proposals, in the area of Virtual Training Environments. The Consortium consisted of five partners from Greece, Spain, Ireland and Belgium. (Not funded)
3. **More than 10 successfully composed, submitted, managed and implemented innovative projects for enterprises (co-funded projects) located in Trikala, central Greece**, funded by Greek Framework Programmes. Projects' budget was varying between €80.000,00 - €180.000,00.
4. **SMEs - Research in Software PProcess Improvement Methodologies for Greek Small & Medium sized Software Development Enterprises (SMEs)**
Member of research project team: Research project with a budget of €90.000,00, funded by the Archimedes III Greek National Research Program. The project has duration of 36 months, it is being developed with the cooperation of the Project Management Department (TEI of Larissa) and of the Computer Science Department (AUPh) and it will be completed by the end of 2014.
5. **KNOWLEDGE MANAGEMENT for SOFTWARE PROJECT MANAGEMENT USING ONTOLOGIES AND SOCIAL NETWORKS (ONSOCIAL)**
Member of research project team: Research project with a budget of €90.000,00, funded by the Archimedes III Greek National Research Program. The project has duration of 36 months, it is being developed with the cooperation of the Project Management Department (TEI of Larissa) and of the Computer Science Department (AUPh) and it will be completed by the end of 2014.
6. **Scientific Coordinator : Developing an Enterprise Architecture for a Digital City (EADIC)** Research project with a budget of €89.700,00, funded by the Archimedes III Greek National Research Program. My proposal was one of the 200 successful ones, out of the 3.000 that were submitted all over Greece on September 2009. The project has duration of 36 months, it is being developed with the cooperation of the Project Management Department (TEI of Larissa) and of the Computer Science Department (AUPh) and it will be completed by the end of 2014.
7. **Enhancing professional skills on negotiation and on crisis management**
Scientific Coordinator: Research project with a budget of €399.454,00, submitted to Leonardo da Vinci Transfer of Innovation, under 2013 call (31/01/2013). The project has duration of 24 months, it is being developed with the cooperation of eight (8) partners from five (5) EU member states.
8. **Mycoticon: MYCOTa Intereuropean Cooperation Network**
Member of research project team: with a budget of €89.700,00, funded by Leonardo da Vinci Transfer of Innovation, under 2012 call. The project has duration of 24 months, it is being developed with the cooperation of eight (12) partners from three (3) EU member states. The project has duration of 36 months, it is being developed with the cooperation of the Project Management Department (TEI of Larissa) and it will be completed by the end of 2013.

- Citations** **189 citations to my publications (data from Publish and Perish), some of which concern:**
- 1) The article Anthopoulos, L., Siozos, P., Tsoukalas, I.A. (2007) "Applying Participatory Design and Collaboration in Digital Public Services for discovering and re-designing e-Government services". Government Information Quarterly, Volume 24, Issue 2, April 2007, Pages 353-376, Elsevier.

has a total amount of 32 different citations (2 during 2012, 9 during 2011, 10 during 2010, 7 on 2009 and 4 on 2008)
 - 2) The article Anthopoulos, L., Tsoukalas, I.A. (2006) "The implementation model of a Digital City. The case study of the first Digital City in Greece: e-Trikala". Journal of e-Government (Haworth Press, Inc., University of Southern California, Center for Digital Government), Vol.2, Issue 2, 2005

has 2 different citations (1 on 2011 and 1 on 2010)
 - 3) The article Anthopoulos, L., Siozos, P., Nanopoulos, A., Tsoukalas, I. A. "The Bottom-up Design of e-Government. Development Methodology based on a Collaboration Environment". e-Service Journal (Indiana University Press), Vol.4, No 3, 2006 (<http://www.e-sj.org>).

has a total amount of 2 citations (1 on 2010 and 1 on 2009)
